

Application No: 10/748,496

REMARKS

This amendment corrects only minor formal matters created by typographical errors in the original specification. No new matter is added. Claim 28 was canceled by the amendment of 10/18/2004, therefore there is no need to delete "23" and insert --24-- in claim 28, as recommended by the Examiner's amendment.

In view of the foregoing, it is submitted that this application is in condition for allowance. Favorable consideration and prompt allowance of the application are respectfully requested.

The Examiner is invited to telephone the undersigned if the Examiner believes it would be useful to advance prosecution.

Respectfully submitted,

Kam W. Law
